Youth News

If you are a young person entering grade 3 and up...come join us!
We would be glad to have you!

Just some reminders...

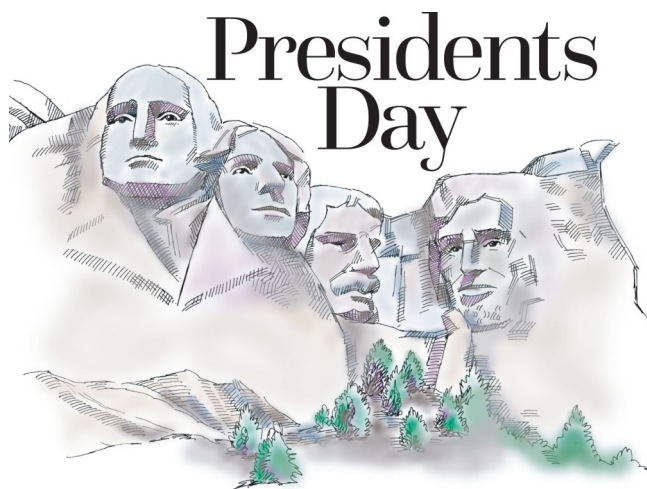

When dropping off youth, please walk them in to the building and let the leaders know you are dropping them off and of any details that leaders should be aware of. The same goes with picking up youth, please come in and let the leaders know you are there and taking youth with you. This is for their safety and for leaders to have peace of mind knowing that they are safe!
